EDITOR'S CORNER--HI, NEIGHBOR!

We thank you, neighbors, for your glad reception of our new venture, the BRISBANE BYLINE. We have received many calls and verbal congratulations from our friends and well-wishers. We had never hoped for so much approval, and from the bottom of our hearts, we thank you.

Some of you have writing talent--please send us in some of your works. Those that we can use will appear in these pages under your own by-line--hence the name of this paper. Some of you are natural born reporters---please send in your news items. Thank you who have already supplied our little paper with more material than we can use this week.

Neighbors--did you know that Brisbane simply abounds with civic pride, and the community spirit? I had a hunch that this was true--but it took a little thing like a weekly newspaper to bring it out in the open. Too many of you have hid your lights under too many bushels--and now it is your turn to speak up.

Local merchants may use these pages to advertise. Just call either of the phone numbers listed above. Thank you!--EDITOR

NEWS AND NOTES--QUIPS AND QUOTES-(cont'd)

Home on a ten day leave is PFC BOB TANN of the U.S. Marine Corps. Bob has been stationed at POINT MUGU near Ventura since last fall. PFC TANN is being welcomed at home at 73 San Benito Rd. by MR. & MRS. HERB TANN, brother GEORGE, and tiny sister FLORA GRACE, who now weighs all of nine pounds at the ripe old age of 2½ months. For the benefit of newcomers to Brisbane-MRS. TANN is our Postmaster!

A week or so ago MRS. LISA BARBER of Alvarado Street--fell in her back yard while doing some spring gardening--and broke her arm in three places. Mrs. Barber is convalescing at home.

Last week-end DORIS HAYDOCK of Humboldt Rd. attended the Mid-Century Revival at the Canvas Cathedral in San Francisco. Some sixty churches from 21 denominations are holding this mass rally to listen to Dr. Torrey M. Johnson--founder of the Youth for Christ movements. These rallies are going on from April 15th thru May 7th.

HERB GAGNIER is back in town--just couldn't see his way clear in working for somebody for nothing all summer. Seems strange how these rich people like to hire people--but don't like to pay them for honest labor! (cont'd on page 4)

FOR THE BENEFIT OF THE

BOOK REVIEW: "THE WAYWARD BUS" by John Steinbeck, the author of "Grapes of Wrath". This book is definitely not for the juvenile, or the readers of the "finer" things. A raw and straight from the shoulder chronicle of the innermost feelings and failings of a group of people thrown together on a bus--this group getting a little better acquainted with each other than usual, because of a slight accident to the bus. The bus, called "Sweetheart" by her owner-driver--is a small one that shuttles back and forth between two Greyhound points in lower California. After reading the book, one feels a kinship with some of the people on it---but the main impression I got from it was the sadness with which I read of the human frailties of these people. But in spite of myself--I recognized myself more than once in these pages--and so will you!

"Bet you wouldn't marry me"--
He said---and sakes alive!
The little lady called his bet,
And then she raised him five!
---as borrowed from "Gulf Breeze"

QUOTE: "Gossip is a sort of smoke that comes from the dirty tobacco-pipes of those who diffuse it. It proves nothing but the bad taste of the smoker."--George Eliot.

UNQUOTE: Seventeen--the age when a girl puts away her dolls---and becomes one.

News from The Busy People -

TONIGHT is Cub Pack night! The monthly meeting of the Cub Pack 134 will take place at the school auditorium tonight, with many awards to be given, and something special in the way of a skit promised under the supervision of cub mother JEWELL SOWARD. Many activities are being planned and more of the parents should turn out for these Cub Pack meetings. The time? 8 p.m. Friday night, April 28th--The place?--at the school auditorium. Refreshments will be served by a committee of mothers. REMEMBER--the last Friday of every month is CUB PACK NIGHT!

Speaking of the Bubs--and we were--the recent dance given at the Legion Hall was a huge success. Many tickets were sold, and a goodly crowd attended. The music was exceptional--and the dancers were all in a congenial mood. Winners of the three door prizes went home well laden and happy. CHARLES COLLETTI took home the beautiful table lamp--DANIEL BERRIOS won the automatic toaster--and GLADYS REECE snagged the set of dishes.

SCOUTMASTER JACK GRABOVSKY, accompanied by DICK FASSET--took eight of the local Scouts from troop 134 on a week-end trip to Camp Lilienthal in Fairfax county. The boys who enjoyed roughing it were PETER JENSEN, VINCENT REECE, RICHARD COWAN, BILL SMITH, BOBBY BROWN, ROGER SAUNDERS, ASHLEY EMERY, AND ANTHONY SOUSA. The boys cooked three meals out in the open, and went on a hike through the woods. They followed a stream, and found many wild-life tracks. They helped repair a roof on the hospital at the camp, and had two ball games--with a visiting Scout troop from Marin County and with some of the staff at Camp Lilienthal. The score? We won one, and we lost one. Oh well, easy come, easy go!

The Brisbane P.T.-A. held a whist-penochle card party at the schoolhouse last Friday evening. The proceeds will be used to replenish the fund for the

the graduation party on June 8th. This party is given annually by the unit.

First prize in whist went to Mrs. Haine while Robert Parrish won first prize in penochle. The door prize was won by Mr. Rex McCardell. Members who worked on the committee for the benefit game were Ruby Edwards, chairman--Dorothy Parrish, Dorothy Romrielle, and Agnes Whitson. Ruby Edwards P.T.-A. president, extends her thanks to everyone for their support.

Miss Natalie Lipman, Superintendant of Brisbane School--was installed as auditor of the 17th District at their recent meeting held at Ravenswood School in East Palo Alto. Other Brisbane P.T.-A. members who attended this meeting were Ruby Edwards, Martha Adkisson, Ellen Shend, Dorothy Parrish, and Agnes Whitson.

The American Legion Auxiliary Unit #473 has arranged with the San Mateo County Branch of the American Cancer Society to have a public meeting at the American Legion Hall at 250 Visitation Avenue, on Monday, May 1 at 8 p.m.--An illustrated lecture on cancer will be presented by a qualified Doctor. There will be no admission fee charged, and no soliciting of funds will be done. The public is urged to attend.

Sporting a beautiful new diamond ring is Vera Blair, of the Fountain of Youth. "Sarge" gave it to her for their 30th Wedding Anniversary, celebrated in January of this year. Vera is a Gold Star Mother, and is Marshall of the local American Legion Auxiliary Unit and is also Marshall in the WALTER BLAIR post VFW. "Sarge" has been a guard with the American Patrol Company for the past five years.

Vera also was presented with a beautiful box of roses recently, to commemorate the first anniversary of the founding of the WALTER BLAIR POST V.F.W.

Tomorrow night is dance night again at the Legion Hall. Come on down and enjoy yourself--and bring some friends.

ITEM: "CAIN AND ABEL"-----

Private enterprise and freedom might be likened to Abel, and socialism and the welfare state to Cain.

Private industry has the ability to produce in abundance, but this is not enough. To overwhelm the utopian promises of the socialist welfare state--it must emphasize it's irreplaceable value to the community and the individual from the standpoint of opportunity and freedom.

In seeking greater security, people find the proposals of socialism and the welfare state attractive. It takes a strong heart to turn down government handouts, until it is understood that the kind of help is a snare and a delusion and a destroyer of real benefits that grow from individual initiative and thrift.

Socialism kills individual freedom whenever given a chance, just as Cain killed Abel."--as contributed by L.E. BYBEE from "THE REFLEX" of Davis County, Utah.

WE SUGGEST--that somebody starts giving a little credit to those poor tired people who are always serving on committees. Giving of themselves and their time--so that we might be well-fed, and well-entertained. Out of the goodness of their hearts, they never turn down a plea for volunteers for the dirty work that is necessary behind the scenes of any public gathering. Most of us just take our entertainment and our feasts and banquet for granted--but why not think of thanking the well-oiled machinery that makes the thing go? Stop on your way out and say THA

NEWS AND NOTES (cont'd)

According to FRANKIE KING, his glee-club now has twenty-six voices, but more are needed. Auditions will go on for some time so there's still a chance if you would like to be doing something a little out of the ordinary. Show up at the school auditorium at 7:30 on Monday evenings and try out for it. A lot of fun is being had at these get-togethers, not counting the relaxation of being able to sing your lungs out!

The former NORMA AUSTIN, daughter of Mr. & Mrs. BERT AUSTIN of Brisbane Acres became the bride of GEORGE TATUM at the Nazarene Church on March 22nd. Reverend Bachelor officiated at the ceremony. GEORGE and NORMA have just arrived at PITTSBURG, TENNESSEE, where they will set up house-keeping. TATUM has just been recently discharged from the Navy. Norma's friends will miss her, but we all wish her luck and much happiness in her marriage.
